Hi Calvin, David,

Thank you for the comments on the Emergency and Remedial Response Plan and Financial Responsibility Demonstration submitted with our Class VI UIC permit application. We have reviewed the evaluation and information request and a few questions we would like to go over with you. Do you have some time next week to discuss? I think we could cover it in half hour but in light of Info Request #3, would like to block out an hour for the call as we may have some follow up questions/clarifications on that request as well.

Thank you again and happy Thursday,
-Rebecca
